Professional Summary

I'm an enthusiastic student with a goal to kickstart my career as a Software Engineer in a dynamic IT company. I bring a strong foundation in programming languages and concepts, along with a genuine passion for technology and innovation. I've demonstrated my skills by successfully completing mini projects showcased on GitHub. My leadership qualities were evident when I led a team for presentations, and I currently serve as a coordinator for a skill development training program in my class. I'm excited to contribute my expertise to projects that push software development boundaries and to learn from experienced professionals.
