## Objective

Aspiring software developer with a strong foundation in programming languages and web development technologies. Passionate about creating efficient and innovative solutions, and eager to contribute to a dynamic team.

## Education

Bachelor of Computer Applications (BCA)  
12th Grade (CBSE)  
10th Grade (CBSE)

Arcade Business College Patna : 2025  
M. M. S. S. V. M. Madhupur : 2022  
M. M. S. S. V. M. Madhupur : 2020

## Technical Skills

- **Programming Languages:** C, C++
- **Web Development:** HTML, CSS, JavaScript, Node.js, Express.js, React
- **Databases:** MongoDB, MySQL, Oracle
- **Data Structures and Algorithms (DSA)**
- **Tools & Technologies:** Git, GitHub, ngrok, bcrypt, JWT, express-validator

## Soft Skills

- Problem-Solving
- Teamwork
- Communication
- Time Management
- Adaptability

## Projects

### Personal Portfolio

- **Technologies Used:** React, CSS, JavaScript
- **Description:** Developed a personal portfolio website using React to showcase skills, projects, and achievements. Implemented responsive design and interactive elements to enhance user experience.

### E-commerce Application

- **Technologies Used:** React, Node.js, Express.js, MongoDB, bcrypt, JWT, express-validator
- **Description:** Created a full-stack e-commerce application with user authentication, product listings, and a shopping cart. Utilized Express.js for backend API and MongoDB for data storage. Implemented bcrypt for password hashing, JWT for secure user authentication, and express-validator for input validation.

### Location Tracker

- **Technologies Used:** React, Node.js, Express.js
- **Description:** Built a location tracker application that allows users to track and share their locations in real-time. Integrated with external APIs for location services and utilized WebSockets for real-time updates.

**Note:** You can find the links of these project in my Portfolio

## Certifications

- **Networking Basics** - Cisco Networking Academy
- **Cyber Security** - Cisco Networking Academy
- **JavaScript** - Cisco Networking Academy

## Extracurricular Activities

### Coordinator, Microsoft RISE Training Program

Selected as the coordinator for a training program related to the Microsoft RISE program, organized by Arcade Business College. Responsible for managing schedules, communicating with participants, and ensuring the smooth execution of the program.

## Volunteer Experience

### Health Camp Volunteer

Participated as a volunteer in a health camp, assisting with various activities and providing support to the organizers and participants.

## Achievements/Awards

- **First Place**, Speech Competition - Arcade Business College
- **Third Place**, Inter-College Flute Competition

## Hobbies/Interests

- Playing flute
- Listening to music

## Languages

- English
- Hindi
